

# YOUR CAREER STARTS HERE

Your undergraduate  
degree paid for by the  
Millennium Point  
Trust Scholarship

In partnership with

BIRMINGHAM CITY  
University

How do I apply?

You can apply now by going to our website and filling in our quick application form.

We'll then notify the top five who will go on to the next stage of the competition.

The second stage is an assessment day assessed by a panel of industry leaders.

Start your quick and easy application today at [millenniumpoint.org.uk/scholarship](https://millenniumpoint.org.uk/scholarship)

Why should I apply?

It's not all about the winner, if you make it to the final you will receive workshops that develop your employment, leadership and interview skills, public speaking and presentation training. We will also provide skills coaching and look for opportunities for work placements, mentorship and introductions to leaders in your chosen subject.

If you're 17 or over and live in the West Midlands, then you can apply for your tuition fees to be fully paid by the Millennium Point Charitable Trust for a qualifying degree at Birmingham City University's Faculty of Computing, Engineering and the Built-Environment.

If you make it to the top five, you'll benefit from workshops, training and support which builds your confidence, work skills and gives you opportunities to kick start your career in your chosen industry.

"I am so proud to have been selected as the winner of this year's Millennium Point Scholarship. All five finalists were incredible, with great ideas and the drive and determination to carry them out."
