

# You're invited

to our celebration and  
networking event  
taking place at the...

MILLENNIUM POINT TRUST

# SciSPORT

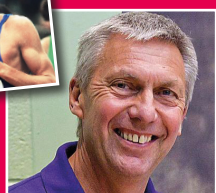

## Showcase

Demonstrating STEM in action

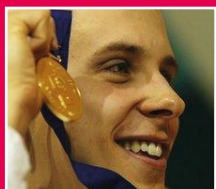

## Keynote speakers:

**Dr Emily Hoodless**  
Consultant Physician  
speaking on women in STEM,  
a medical career and working  
with elite athletes.

**David Moorcroft OBE**  
Multiple international medal  
winner and former 5000  
metre World Record Holder  
which he will be celebrating  
40 years to the day of this  
very event. Current High  
Sheriff of Birmingham.

**Adam Whitehead**  
Athlete manager for Dame  
Kelly Holmes Trust and  
Commonwealth Gold Medal  
winner who will explore how  
science aids sport today.

Join the Millennium Point team for an afternoon of networking and discovery. Enjoy drinks and light nibbles while you meet likeminded businesses and interact with a mix of exhibits. This will be followed by a fantastic line-up of keynote speakers from the world of science and sport.

This event is part of our SciSPORT Showcase which demonstrates the science, technology, engineering and maths (STEM) in action across sports industries. We are proud that this showcase is in association with 'United by Birmingham 2022' programme welcoming the Commonwealth Games to Birmingham this summer.

**HELD AT:**  
Millennium Point,

**TAKES PLACE ON:**  
7th July 2022

**ARRIVE:**  
3.30pm

**FINISH:**  
5.30PM
